

AGLAE – GUIDE FOR NEW PARTICIPANTS

YOUR FIRST PARTICIPATION IN AGLAE'S TESTS

The main steps from your application to your participation in the proficiency tests:

Details of your application process

Sending of the invoice, regardless of when the samples are sent

YOUR LABORATORY

Payment of the invoice according to the specified schedule
 Payment by bank transfer or [credit card](#) ([guidelines](#) to help you)

In case payment is not received on time, AGLAE may suspend the sending of samples and block access to your Member Area until the invoice has been paid (check the [general conditions of registration](#))

How to participate in other tests during the year, order additional test samples, Quality Control Materials, etc.
 → Contact us: contact@association-aglae.fr or +33 (0)3 20 16 91 40, we will issue a quote
 → Return a purchase order or the signed quote

CONDUCT OF AGLAE'S TESTS

≈ D₀ - 10 days

Sending of instructions for analysis and storage of samples
 Preparation of test materials

Sending of test samples in « express » mode

D₀

YOUR LABORATORY

Track your delivery via your [Member Area](#), page 'Your proficiency tests'

Receipt and analysis of the samples
 Report of your test results via your Member Area

≈ D₀ +1 to D₀+15

End of report

In case of a delivery anomaly or upon receipt of your samples, please contact us as soon as possible on + 33 (0)3 20 16 91 40 or contact@association-aglae.fr

YOUR LABORATORY

Download of the **quick return of your performance: 'Review'**

Download of a **personalised test report**: z-scores, rankings, evaluation of your uncertainties of measurement for water microbiology, check of the reliability of your estimated uncertainties of measurement in chemistry (zeta-score)

End of report + 3 days

End of report + ≈ 3 weeks

Need advice to implement corrective actions?
 The guides to interpreting your test reports in chemistry and microbiology provide elements (available from your [Member Area](#)) and AGLAE remains at your service.

AGLAE – YOUR MEMBER AREA

FIRST CONNECTION

Log on to the homepage of your [Member Area](#)

Create your account and assign passwords to the 3 access levels of your Member Area:

- TOTAL access
- Access to validation (data entry and validation of your results possible → login starting with sv)
- Access to data entry (limited to the report of your results → login starting with s)

Login

Login :

Password :

[Forgotten password](#)

[Creation of your web account](#)

Pay attention, 'old' passwords without special characters have to be entered in CAPITAL LETTERS.

[Log in](#)

Creation of your web account

Following your registration, you have to create your web account to access your Member Area.

You need your **login - total access** (= member ID), it is specified in the email confirming your registration and on your registration certificate (site No.).

Please enter your login

Please enter the mail of the representative
